DEAR PATIENT, Dr Greco is offering a Wellness Picture of your Retina which gives him a lot of diagnostic information about the Health of you Retina, Optic Nerve as well as your Health in general. The Picture takes less than two minutes and there are no side effects or down time. The first picture costs \$39.00 and is the patient's responsibility if anything is medically documented, subsequent pictures can be filed to your Major Medical Insurance as long, as it is not an HMO. Dr Greco is encouraging our Patients to have this Picture done as it then becomes part of your electronic Health Record (E.H.R.)
